## The Minutes

Of the last meeting from the Comenius Project "Education and Instruction in Classrooms which are separated according to Auditory, Visual and Kinesthetic Learning Styles."

Meeting Place : Nuri Nihat Aslanoba Anatolian High School, Turkey  
Period : 12<sup>nd</sup> - 19<sup>th</sup> May, 2013

### Sunday, May 12<sup>nd</sup> 2013

The guests arrived to İstanbul, we took them from the airport to Bursa. All our guests met with the host families.

### Monday, May 13<sup>rd</sup> 2013

- The guests were welcomed to "Nuri Nihat Aslanoba Anatolian High School". They met teachers and students of the school. They attended a programme with Jannisary Band from Ottoman Empire and traditional dances performed by Turkish students. They made a school tour and attended a music lesson.
- All project partners met at a school director's room, school managers and coordinators of the project made small speeches about their thoughts and feelings.
- After the lessons they visited City Zoo and Botanical Park.

### Tuesday, May 14<sup>th</sup> 2013

- The project teams attended Biology, Physics, English and Maths lessons by the help of English teachers' translations of the subjects.
- All project partner students and teachers attended a volleyball game with Turkish teachers and students. The project teachers made a tour of "Covered Bazaar" and "Silk Shops" in Bursa. They watched Semazen (Whirling Dervish) performance.

### Wednesday, May 15<sup>th</sup> 2013

- All project students and teachers made a city tour and visited museums, historical sights and mosques etc.
- The Lithuanian, Romanian and Turkish students worked on a dictionary with common words in English, Lithuanian, Romanian and Turkish and also they worked on words that are pronounced similar with all partner languages.

### Thursday, May 16<sup>th</sup> 2013

- Project teams attended workshops with Visual, Auditory, Kinesthetic learners in Biology and English lessons, and also they attended History and Chemistry lessons. The Project teams from all three countries attended a meeting in which they planned and evaluated all activities of two years.
- The coordinator of the Project (Aylin Turan) made explanations about the results of two different kind of lessons which were thought according to three learning styles and related activities. The results of the exams that were applied at the end of English and Biology Lessons showed that the students who had varied and flexible lessons were considerably more successful than the students in the other class. In addition to being more successful, students in varied and flexible classes were not get bored and got encouraged about the lesson.
- After the explanations the coordinator of Turkey gave the final meeting's report to all project team teachers.
